

Dear Nursery/School/College in Cumbria

February is LGBT+ History Month, and this year the focus is Art! You will find lots of resources for LGBT+ History Month, including lesson plans and presentations, online at <https://lgbtplushistorymonth.co.uk>.

This year Cumbria LGBT Pride are inviting children and young people aged under 18 years (+ those aged 18 in Y13) to get creative and design an image to be used for our Pride Event 2022! The winning design will be used in our event publicity, and the winner will receive a Cumbria LGBT Pride goody bag plus a £15 one-for-all gift card.

We are asking you to support and encourage entries, perhaps by

- Including this as a topic within your art curriculum?
- Including this as part of a lunch time/after school club activity?
- Advertising this competition in your setting?
- Collecting entries in your setting to return to us?

Whichever way you choose to support this we really do appreciate it, and to show this we are also offering a £30 Amazon gift voucher to the setting of the winning entry!

Images should reflect LGBT+ life in 2022, and can be created using your choice of media. Art work should be scanned or digitally saved and sent to info@cumbriapride.org. (If you struggle to scan and email, you can send it to us at Cumbria LGBT Pride, 1st Floor Phoenix House, 10a Robert Street, Carlisle, CA2 5AN). An entry form MUST be completed and sent alongside every entry. The competition is open to anyone aged under 18 (plus 18 year olds in Y13), either living in or attending a setting within Cumbria. The closing date for receipt of entries is 28 February 2022, with the winner being notified in March. Information can be found on our website www.cumbriapride.org/news-and-events.

GOOD LUCK!

From all at Cumbria LGBT Pride x
